

UUFCO NEW HOME STEERING COMMITTEE

Chair: Leslie Koc (uufconewhome@gmail.com)

Here are New Home dates to put in your calendar:

- **Sunday, December 14** – New Home Tour (rescheduled date)
- **Friday, January 23** – Substantial Date of Completion of our New Home
- **Sunday, February 1** – 1st Sunday Service in our New Home

Does it look like the work has stopped at the New Home site? Maybe on the outside, but there are multiple teams working inside. Each room has activity going on: laying the stone walls, putting up sheetrock and the interior wood siding, installing the initial stages of electrical and HVAC, and hanging doors to name just a few. With more willing weather the paving will continue and with luck, it will be completed for the rescheduled tour on December 14.

The turnover activity has begun with the formation of committees who will coordinate and support the needs of owning our own building. As each group has become comfortable with their areas of responsibility, they've taken wing. It's quite exciting to feel the future arriving at our doorstep.

The best way to see what's happening is to stop by the New Home table for the most recent pictures. You'll also be able to inquire and sign up for the committees that can use your help.

New Home Project Steering Committee: Dale Clark, Design Committee; John Coltman, Finance Committee; Don Hartsough, Capital Campaign Committee; Jerrie Jones, Secretary and Website Update Coordinator; Leslie Koc, Chair; (Dave MacGurn, Land & Site Committee - retired); Vernon Threlkeld, Construction & Technical Advisory Committee
